Joey, I'm trying to add to the spreadsheet and I can only open it in "read only". I can't edit at all. I'll try again on Monday .

We have last year's State Assist report on Sharepoint. I'll look at it and suggest some edits. Thanks

Subject: State Assist Information including link to SharePoint site

Good morning,

Linked below is a spreadsheet used to track our State Assist cases, and to go along with that is document attached of procedures for measuring from Susan Bodine. We need to populate Region 5 cases that have been referred to the State to address a violation (and the State agrees to pursue the matter). Please work with your Section Chiefs and staff to add all additional cases we have referred to state this Fiscal Year to the list using the below link. Please add cases by **COB Monday August 5th**.

Any questions, let me know. Thank-you.

Joey
